As Thanksgiving approaches and 2013 comes to an end, we want to express our sincere gratitude and appreciation to you; our donors, volunteers, & participants. The Norma Livingston Ovarian Cancer Foundation continues to work diligently to promote awareness about ovarian cancer and raise much needed funds for research. Please enjoy the following summary of our August & September events.

Over 700 people participated in Save the Os this year...an all-time record! Over \$55,000 was raised to support ovarian cancer research. Mark your calendar for August 16, 2014 for next year's event.

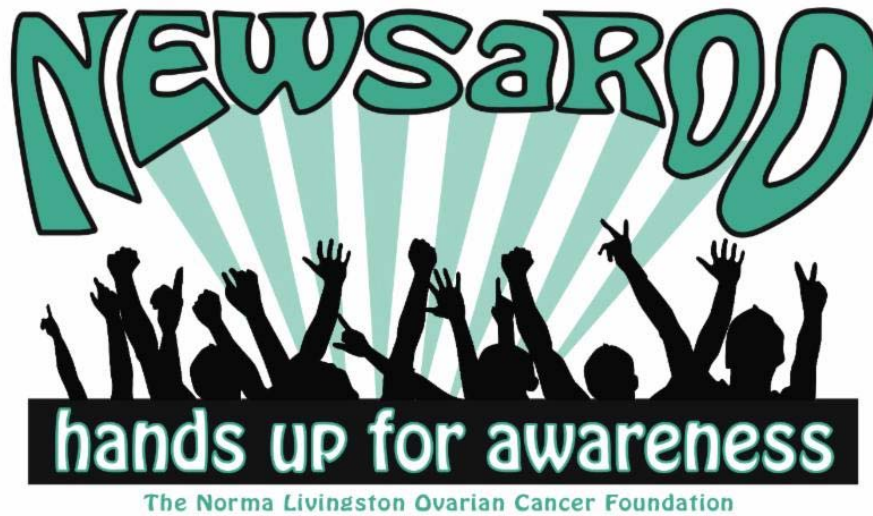

This past September, Ovarian Cancer Awareness month, we partnered with the Laura Crandall Brown Ovarian Cancer Foundation & gave out 5,000 re-usable shopping bags with the signs & symptoms of ovarian cancer printed on it. These bags were distributed to gynecologist offices, nail salons, women's boutiques & other places where women shop. Our hope is that by educating women about ovarian cancer we will help save lives. Until there's a test, early diagnosis is best!

Approximately 400 people, including many dignitaries from throughout the State of Alabama, came to the luncheon on September 12th to celebrate the life of Elliot Patterson Williams. Elliot was, and continues to be, an inspiration to all who knew her and to those who have heard of her courage and faith. We are grateful to those of you who participated in this memorable and meaningful event.

Get ready for an amazing Mother's Day weekend!

Kickoff with:

Kickoff party for 11th Annual Motherwalk 5k and Fun Run!

Friday, May 9, 2014

7:00pm

Avondale Brewing Company
